Woodcraft Shop From Zeeland To This City

SOME OF ZEELAND MEN WILL
BE TRANSFERRED TO THE
HOLLAND FURNITURE CO.

The Dutch Woodcraft Shop, Zeeland, has been closed, much to the surprise of the employees, numbering some ninety, who found gainful employment at this factory in Zeeland. The fact, according to David Boyd, the manager, is that the Woodcraft orders will be transferred to the Holland Furniture Co. and the plant at Zeeland will undoubtedly be sold. No machinery will be moved to Holland, but the work formerly done at the Zeeland plant and the stock will be transferred to the Holland Furniture Co. at Holland. Some of the employees, such as foremen and key men, who understand the Woodcraft furniture and its production, will be transferred to this city.

Ever since the death of J. A. Vander Veen, who was the proprietor of both the Holland Furniture Co. and the Dutch Woodcraft Co., it has been planned to centralize the production of these two plants into one. The Holland Furniture Co., being the largest, the business of the Zeeland plant, it was considered, would be transferred to the plant in Holland.

The change will take place next Monday. Of course, the re-organization in the production department will go rather slowly for a short time, but all adjustments in the correlating of these two furniture enterprises under one roof, will take a little time.

David Boyd, who is in charge of the Zeeland plant, will be associated with his brother Stuart Boyd in the Holland plant. Mr. Boyd was approached by the Zeeland Businessmen's Association when it was made known that the plant closed suddenly Monday morning. He stated that he did not know until late Saturday that the Zeeland factory was to be closed, as it was contingent upon conditions over which it had no control, and as a result the management could not determine until a late hour what course was to be followed. Mr. Boyd was hopeful, however, that something would turn up to occupy the plant, now closed, within a short time.

Mrs. J. A. Vander Veen, widow of the late industrialist is in charge of the entire estate, which includes these two furniture factories, and it was she who expressed the desire that the Dutch Woodcraft production be included in the output of the large Holland plant.

WOMAN PROMINENT IN CHURCH AND LEGION CIRCLES PASSES

Mrs. Simon J. Meeuwse, 37, 271 West 12th St., died at her home Wednesday as a result of flu complications. Mrs. Meeuwse had been organist of Bethel Reformed church for the past ten years. For several years she was organist for Third Church Sunday School and an active member. She served for two years as American Legion Auxiliary president. Mrs. Meeuwse was held in the highest esteem by her many friends and she commanded the respect not only of the large membership of the Auxiliary of the American Legion, but also the members of the Willard G. Leenhouts Post as well. She was repeatedly honored as delegate, was on many important committees, and finally became the head of this women's organization. She was an ardent church worker and aided wherever it was possible. She was musically inclined, was an able organist, and her services as such were in great demand.

Funeral services will be held Sat. at 1:30 p.m. from the home and 2:00 p.m. from Third Reformed Church, the Rev. William Van't Hof of Third church officiating, assisted by the Rev. C. Stoppels, pastor of Bethel church. Members of the American Legion Auxiliary will attend the services in a body, and many of the American Legion members will also be present. The pallbearers were chosen from the ranks of the Willard G. Leenhouts Post American Legion. Those present Commander Edward Slooter, Al Van Lente, Al Joldersma, Ray Knoohuis, Henry Poppen, and Peter Michels. Interment will take place in Pilgrim Home Cemetery. The request at first announced by the family to omit flowers has now been withdrawn. Nibbelink-Notter Funeral Mortuary took charge of the remains.

Survivors are the husband, and two sons, John, 12, and Gordon Alvin, 7.

CHANGE IN DUTIES OF POLICE OFFICERS; CHANGES IN PARKING ALSO DE- SIRED BY BOARD

Due to ill health of David O'Connor, veteran police force member, O'Connor will no longer take his place on the day shift, but will be moved to the night shift, doing desk work at police headquarters. Jacob Van Hoff, who has served as night captain since Jan. 1, 1937, will take O'Connor's place on the day shift. Both men will retain their seniority rights and salaries, according to Police Chief Frank Van Ry.

Cornelius Huisenga, chairman of the police and fire commissioners, announced the change following the session of the board Monday evening. Police Chief Van Ry was informed of the change Tuesday. Motion for the adoption of the change was presented by Commissioner Cornelius Stoketee and seconded by Commissioner John Donnelly.

Mr. and Mrs. C. A. French and daughter, Mrs. W. A. Butler, have left for Phoenix, Ariz., where the Frenchs will stay this winter. Mrs. French will soon return to the city.

Sen. Ernest C. Brooks of this city, is on business in Washington, D. C.

FORMER HOLLAND BUSINESS WOMAN DIES

Word has been received here that Mrs. Riepma of Springfield, Missouri, wife of Rev. Z. Riepma, passed away. Mrs. Riepma was formerly Miss Lizzie Van Zwalenburgh, who twenty-five years ago conducted a millinery store in this city.

According to meager reports, the sad news comes that Mrs. Van Zwalenburgh on Christmas morning accidentally fell on some steps and then complained that her back was injured. She was taken to a hospital and seemed to be improving, however, on New Year's Day she awakened bright and happy, but at once complained to the nurse that something was wrong, and she passed away almost immediately.

It is understood that one son and three daughters, as well as the husband, survive. News of the accident and death is meager, and was heard in Holland only a few days ago.

Dinner Served By Hubby to Wife At Exchange

SOUTHERN SPEAKER COMES
1,000 MILES TO HOLLAND
BANQUET

"We Fought Many Wars for Freedom—
The Time Has Come to
Fight to Keep America Free!"
—Peck

Last Monday evening at 6:30 local Exchangeites celebrated their annual Ladies' Night, which is given "every year for their better halves," as President C. C. Wood, in charge of the meeting, expressed it. The affair, in the form of a banquet, was held in the main dining room of the Warm Friend Tavern. Approximately 185 attended the meeting.

Exchangeite Fred Beeuwkes opened with a word of prayer. Then "C. C." suggested a rising salute to the ladies, which was participated in by all present. Singing of old-time airs was led by Clarence Javling. A number of novel combinations were attempted successfully. The song leader was duly impressed by his able choir, for he ended the song session with the exclamation, "Folks, that's dinner!"

Dinner, served by Landlord Lillard's able staff, consisted of grapefruit, salad, soup, saratoga chips, potatoes with brown gravy, steak, carrots and peas, pumpkin pie, rolls and coffee. Roses and candles served as table decorations.

The Midwinter Exchange Club Conference to be held at Hotel Olds at Lansing on Feb. 5 was announced by President Wood. Bert Gebben, "the mayor of Port Sheldon," was given a vote of thanks by the president for his contribution of grapefruit to aid in the enjoyment of the meal. When Dr. H. P. Harms, "the most recent father in the club" was introduced, he declined the honor of introduction, and "father-in-law" Al Kleis substituted for him.

"A Few Minutes with the May-

Judge William H. Beck, Jr.

or," a humorous paper, was read by Mayor Henry A. Geerts, in which he ably characterized each member of the club. The Major's outburst was followed by rapid scolding of the musical players by Donald Roth of Grand Rapids, Gerard Hanchett serving as accompanist. Mr. Roth's selections were well-received, as was evident from the applause which followed their rendition. Numbers played were Handel's "Sonata in D Major," Tchaikovsky's "Melody in E-Flat," and Frimel's "Mignonne."

"Pete" Vinet was called upon to introduce the speaker of the evening, Judge William H. Beck, Jr., of Griffin, Georgia, past national president of the National Exchange Club. Mr. Beck is municipal court judge in Griffin. He made the keynote speech at the National Exchange convention at Tampa, Florida.

Don Zwemer, member of the Holland Lions' club, addressed the local club Tuesday noon at its regular meeting in the Warm Friend Tavern on his recent trip through the south. The speaker dwelt for some time upon the beauties of Illinois, from there on to the Mississippi and St. Louis. The Rio Grande valley was not passed through by Mr. Zwemer because of the rainy season. Texas and its Carlsbad Caverns at El Paso were of the most interest to the speaker, it appeared. "I gained four thrills on the trip," Mr. Zwemer concluded. "They are the thrills of anticipation, of realization, of getting home, and of retrospection."

An illustrated lecture will be presented tonight at 7:30 at Sixth Reformed church by J. J. De Valois, agricultural missionary to India, who is in Holland on furlough at the present time.

Church Parking Considered To Be Hazardous

BUILDING OF BAND SHELL
DEFERRED; TANNERY PROP-
ERTY VOTE MAY NOT
COME UP

Alderman Brouwer Presents Reso-
lution Lending Holland Fish and
Game Club

There were many matters that came up at the common council meeting that were real important. There were architect's plans for a band shell for the American Legion Band, which created considerable discussion, since the plans were rather involved and the charging for the services seem to be step by step, starting out with \$200. Mr. Brouwer stated that as far as he could see, a serviceable band shell would cost between \$8,000 and \$12,000. Cheaper ones were built, but it would be better had they never been built, as far as being effective with the proper acoustics. The whole matter was tabled temporarily with the hope that business conditions would be better, and the matter could be taken up again.

The matter of the island and the dumpage through dredging by the Lyons Constructing Co., when they get the contract, was also brought up. It appears that the government needs definite regulations on this matter and the official council proceedings in this column gives just that.

Ald. Brouwer presented a resolution lauding the Holland Fish and Game Club, which was very timely, and found in full in this column; the building of a large sewer was recommended and allowed by the Board of Public Works; there also appears to be a start made on a new electric sign ordinance.

A very important matter that brought lengthy discussion was the parking on one side of the street only at churches, or public buildings, where the streets are narrow, and this method of parking is asked for only while the heaps of snow are in the streets. Mayor Geerlings brought out that this simply impossible to allow this parking there; that while parking was going on under difficulties at best, should a fire break out it would be impossible for fire apparatus to get anywhere near because of the narrow roadway.

Ald. Prins stated that it would only be a few weeks when the snow would all be gone, and felt it was unnecessary to make a change at this late date. Ald. Bultman stated the request even came from church people, and he felt the pastors and the parishioners would readily comply without a demand order coming from the city. Ald. Oudemool felt that any drastic regulation might keep some people from church, and that should not be. He, however, said that he saw the necessity of bringing about a condition that would not be so hazardous.

Ald. Kalkman created smiles when he said, "Why don't they do like me. I walk to church every Sunday, but it seems that some people who live a block and a half from church must get out their big car instead of taking some exercise. That to me is foolish." A gale of laughter followed the remarks of Ald. Art Drinkwater, who said, "Casey, you walk to church because you can't drive a car"—and that is true, but "Casey" is a great man on a "bike."

Ald. Huyser felt that conditions around churches, where it was necessary, should be relieved of the close parking, at least during the winter weather. Third Reformed Church was mentioned as one of the churches where it was unnecessary to make regulations, as the church authorities had long ago made better provision for parking by eliminating the curb up to the sidewalk.

These and other matters are given in full in the official council proceedings, compiled by City Clerk Oscar Peterson, which follows below:

OFFICIAL COUNCIL

Holland, Mich., Jan. 19, 1938. The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Henry Geerlings, Aldermen Prins, Kleis, Drinkwater.

MAN BREAKS LEG AT ZEELAND LIGHT PLANT

The first serious accident in connection with the establishment of the Zeeland municipal electric system occurred at about five o'clock last Thursday evening, when Walter S. Wiley, chief lineman, fell from a ladder about fifteen feet to the ground, fracturing his left leg at the joint, and fracturing the knee joint.

The ladder had been set against the projection of the flat roof at the rear of the building. Upon descending from their work, Martin Hietje went down first and had descended to within five or six feet from the ground, when Wiley also started down the ladder. He had gone down two or three rounds of the ladder when his weight, added to that of Hietje, caused the ladder to suddenly settle into the hard snow, sufficiently to permit the top of the ladder to drop beneath the roof projection, and against the wall under the roof, which extended a couple of feet. This threw Wiley over backwards, his left leg becoming entangled in the ladder, which probably fractured it. As he fell head first toward the ground, he struck Hietje on the shoulder, thus breaking his fall and causing him to turn over, so that he did not land on his head, which probably saved him from worse injuries. He is now in Zeeland hospital.

The annual meeting of the Ganges Union School association will be held Saturday, Feb. 5, at the Ganges Methodist church.

Sixty Years Ago Today

At a regular session of the common council on Wednesday evening the following transaction occurred, considered important: The crosswalk petitioned for by our druggist, Heber Walsh, to be laid at his own expense in the center of the block on Main St. was refused by a vote as follows: Yeas—Spruiell, Cropley, De Vries, Dykema, Nays—Vander Veen, Schmidt. Some aldermen were not present and there was not a majority of all the aldermen-elect. Note: At the next meeting the crosswalk was allowed and it was laid and was maintained until 8th St. was first paved, 35 years ago. The reasons given was that this block was of unusual length and during the spring and fall "Main" St.'s clay and mud was so heavy that Holland folks could not cross without sinking in up to the shoe-tops. Women, especially, made complaints. The crossing was so laid that it ran from the south-north right into the doorway of the Walsh drug store, on the present site of the Montgomery Ward store, which is the center of the block. Mr. Walsh paid for the walk and it proved a very convenient crossing for shoppers, who wished to patronize stores on the north side of 8th St.

Despite the "hard times," the First Reformed church raised \$3,000. At the annual meeting it was decided to set aside the Van Raalte place for the children of the founder and first pastor of the church as long as they remain identified with the church. It is also further proposed that a marble slab be placed in the wall of the church to the right of the pulpit, and that the slab be suitably inscribed, in memory of the late Dr. A. C. Van Raalte, the founder of the community and of the church of which he was the pastor for 25 years. Note: This church is now the 9th St. Christian Reformed church, brought about by the secession about five years later. This turned into a regular court battle lasting at least a year. The First Reformed church was then organized in the old wooden chapel on Hope College campus on the site of Carnegie hall, and the present First Reformed church was built. The marble slab still occupies the most conspicuous place in the Van Raalte church with the "big pillars" still the most imposing structure in Holland today. The Van Raalte pew, however, is not occupied by the Van Raalte descendants. The children have all passed away and the families following are widely scattered.

Thirty Years Ago Today

Nicholas J. Whelan, formerly life saver at Holland harbor, state legislator, speaker of the house, and United States marshal, has gone to Cuba with D. O. Bull of Toronto, Canada, to start a city named Bartel. In fact, the city is already started and is located on the Cuban railroad, has a depot, a hotel and a furniture factory. In the issue of January 9, 1908, Mr. Whelan contributed several articles published in the News writing from Bartel under the caption "Eleven Days in Cuba." There are several pictures of Cuban cities and Cuban life, including views of the new town in which Mr. Whelan is interested.

The Hamilton band is progressing finely, says a correspondent and Jacob Wickers, a fine cornet player, is teaching them every week. A concert will be given in February.

Miss Hazel Wing left Tuesday for Oberlin, Ohio, to resume her studies at the school of music there. She is the only child of Mr. and Mrs. William Wing, living on West 13th St. Mrs. Wing was prominent in furniture circles. Mrs. Wing, the mother, passed away 10 days ago. Mrs. Wing Guild became an accomplished musician and excelled as a pianist.

Twenty Years Ago Today

"Doc" De Nyle is at the Knickerbocker theatre (now Holland) with his pet dogs. Some of them are almost human; in fact, they mind better than most of humanity. Doc has one dog named "Spike" that is a wonder. He has taken his dog show all over the country. He also played the World's Fair at San Francisco. Note: However, there is more to the story. Doc De Nyle looked mighty familiar to many of the theatre, especially "yours truly." He turned out to be Peter Den Uyl, a Holland boy whose mother was Mrs. Simon Den Uyl, West 15th St., and his brother, Tony Den Uyl, local grocer. Mrs. Vande Linde of Vande Linde and Visser is a sister. Peter left Holland when he was a lad of 18 and never returned until he had to fill this theatre engagement. He spent the spare time with his mother.

Through the kindness of President Cornelius M. Steffens and sister, Miss Mary Steffens, and other members of the Steffens family, Dubuque Theological seminary has just come into possession of the valuable library of the late father, Dr. Nicholas M. Steffens. This is one of the most carefully selected theological libraries in the west. It contains about 6,000 volumes, many of them rare and of exceptional value. Dr. Steffens was a theologian, recognized authority and with more than a national reputation. He was for a number of years professor of Systematic Theology in Dubuque Seminary, but at the time of his death was professor in the Theological Seminary of the Dutch Reformed church at Holland, Mich. This library is an appreciated asset to Dubuque's Theological department—Presbyterian. Note: This is a fine statement from this church publication at that time. Dr. N. M. Steffens was the first instructor in the local seminary when it was still a part of Hope college as at the present time. The classrooms were in the old Ogge building on the southwest corner of Hope campus where the tennis courts are. After moving to Iowa he returned to Holland and became head of the Western Theological Seminary. He was a brilliant man, could deliver his sermons in English, German and Holland. He was taken ill on the street while out for a walk. He was taken to his home, where he died suddenly. Holland at the time was deeply shocked when it heard of the death of the wonderful man who had played so important a part in Holland's religious educational and civic life in the earlier days. Miss Mary Steffens is today the wife of Dr. Chris DeVries, West 12th St., and Mrs. George Van Hoes is living with her sister. She was formerly Miss "Bell" Steffens.

The Board of Education had in their number visiting members who took time off to see how the pupils in the rooms behaved. Here is a summary of the impressions these board members received during their visits and the way they made their report: Fourth Ward school on Maple and 11th St.—Good; Union school, Room No. 12, very good; Room No. 11, fairly good; Room No. 10, good; No. 9, good; No. 8, fairly good; No. 7, fairly good; No. 6, good; No. 5, fairly good; No. 4, good; No. 3, fairly good; No. 2, good; No. 1, good.

Note: "Goodness me," what different degrees of goodness our school pupils were blessed with then. However, the writer remembers to his dismay that their strap and the spokes from a broken down chair or a pointer were still in liberal use. The members of the Board of Education then were Dr. N. M. Steffens, Gerrit Van Schelven, William H. Beach, Teunis Keppel, Dr. O. E. Yates, Dr. Henry Kremers and C. J. De Roo. Of these men C. J. De Roo, often mayor of Holland, a member of the Board of Public Works and a prominent Holland industrialist, is still living in Flint, Mich. He has been a subscriber to the News since it was started in 1872.

Forty Years Ago Today

Queen Wilhelmina of the Netherlands has sent her check for one hundred guilders (\$40) to the Holland Home for the Aged established at Grand Rapids. Note: The queen was only a young girl then. The Holland Home is still in existence and has turned out to be a most excellent institution.

There is one toll bridge in Ottawa county between Grand Haven and Spring Lake. There are six ferries across Grand river connecting North Ottawa. They are at Spoonville, Bass river; Cooley, La Motte and Bridge St. ferry. Possibly the most important ferry is at Eastmanville, where annually the toll boats take in a great amount of money. Note: The toll bridge at Grand Haven caused many a battle politically. With the coming of the interurban this toll bridge was purchased. However, the toll house remained for years afterward. The ferries, too, have gone into the discards, when good roads came and concrete bridges soon spanned the rivers and streams. The Ottawa road commissioner had considerable trouble with the government getting the Bridge St. bridge built. The government still held Grand river was a navigable stream and a swing bridge should be built. Of course, this was far from the truth. There was a compromise finally and a bridge was built with steel beams so placed that a swing could be built later if this were necessary. That was years ago and it will be years before boats will steam up the Grand to Grand Rapids.

Ten Years Ago Today

Drilling for oil has started in Muskegon. There is high hopes that oil will be found in paying quantities. Note: They did find a large oil field that paid out thousands; some got rich and others went broke. Not a little Holland money disappeared there in "dry holes." Today Holland capital seems to have a better prospect in wells closer to the city. We hope they all become millionaires.

The Misses Dena and Martha Muller of Holland and Mrs. Ruth Deane will leave Holland Jan. 14, beginning a world trip, visiting Europe, and from there on will go to Palestine and tour the Bible lands. They will sail on Jan. 16. They will be returning some time in April.

Holland Lady Fashions' Fancy Silken Dolls

MODELING OF FACES IS
HANDLED IN UNIQUE WAY

Mrs. Chester Ver Meulen, 277 West 10th St., has a hobby, and that hobby is making dolls. These dolls are not the ordinary kind made of bisque with rolling eyes and curly hair, of the type that please children, but these dolls are real works of art and are interesting to older folks.

The foundation of the doll is stiff strips of steel around which the doll is built. The head is made of pliable composition and the features are molded into whatever shape or characteristics the artist wishes to mold them. After the features are molded a silk stocking or a piece of rayon is drawn tightly over the foundation features, and then the artist paints in the eyes, the nostrils, the lips, and other facial attributes that pictures the figure she wishes to create.

Mrs. Ver Meulen has kept her little make-believe folks, or puppets, more in the peasant class. For instance, she showed the editor of The News two little Hollanders, ten inches tall, with a dress, wooden shoes, Dutch garb of men and women of the land of dykes, and what is more the features were typically Dutch, and that is where real art work comes in. The dress, naturally, can be patterned, but the expression on the face is another matter.

She also took out of her hand bag a real Southern negro of the "Uncle Tom" type, with white, woolly hair, but a face as black as coal. The negro features, thick lips, snub nose, ivory grin, and of course, the arched set it off, were well defined.

Then there was a Russian lady of the peasant type, a Chinese, a Spaniard, and the first American, namely, the "Red Man." Such a variation in human types certainly shows ingenuity in doll making; and through her hobby she has acquired an art that not only brings her "pin money" but will prove a vocation that will grow as time goes on. She makes her dolls all of a size—ten inches, for she soon found that there were many doll collectors, not alone among the youth, but among those who are older grown, and the demand is for a perfect doll, ten inches in height—this to save room and bring about uniformity.

Mrs. Ver Meulen also makes larger dolls, but only when there is a request for them. There is one doll in particular that reminds one of the popular song, "Little Old Lady." The doll has a true expression of a kindly smile, a benevolent eye, and the countenance of one of those dear women of advanced age, that this beautiful song so vividly pictures, "lavender and old lace."

Mrs. Ver Meulen also makes what is called "tea cozies"—supposedly the head and arms of a doll, and with hoop skirt effect. These are placed over a tea pot when not in use. Mrs. Ver Meulen has also tried her hand at puppetry. The museum of Dutch Lore on East 8th St. through Willard Wichers has from time to time interested the young folk from the schools in their historic subjects through puppetry. Mrs. Ver Meulen made figures of men and women who had a great deal to do with the settling of the Holland colony, and these were used in the puppet play, presenting the picture of old pioneer days to the young folk more vividly. Even Dr. Van Raalte was fashioned as one of the puppet actors, while the puppeteers were chosen from coeds and other students of Hope college. These puppet shows were seen mostly by school children in the 5th and 6th grades.

The artistic work of Mrs. Ver Meulen has attracted the outside public and recently the Detroit Free Press gave an article on the work of the Holland woman.

The Grand Rapids Herald of last Sunday gave the following paragraph on this doll hobby. It follows:

Dolls Are Her Hobby

Character dolls are the hobby of Mrs. Jeannette Ver Meulen of Holland, and her Holland, Indian, Russian and Scandinavian dolls are probably the finest in the country. The expressions are lifelike, the clothing characteristic of the country represented. Mrs. Ver Meulen makes the dolls out of a composition of her own invention and moulds the features, showing laughter wrinkles and old age wrinkles with uncanny skill. Over the face she stretches a bit of silk stocking, which adds to the lifelike look of her model. Six of her dolls are being sent to a collector in Texas who needs them to round out his doll collection.

CHAMBER OF COMMERCE HOLDS ANNUAL THIS AFTERNOON

The Holland Chamber of Commerce will hold its annual meeting this Friday afternoon at 4 p. m. in the ballroom of the Warm Friend Tavern. Five directors will be elected at the meeting, and a business session will be held. Officers will be elected at the first regular meeting of the board of directors following the annual meeting. At the present time, Joe Kramer is president of the Chamber of Commerce; Dick Boter, vice president; A. C. Joldersma, treasurer; and W. M. Connelly, secretary. Directors whose terms continue are John De Wilde, Dick Boter, Henry Geerlings, Oscar Peterson, William Connelly, Elbert Parsons, Joe Kramer, Andrew Klomparsen, John Arendshorst and T. P. Cheff. Terms of W. C. Vandenberg, C. C. Wood, A. C. Joldersma, Vaude Vandenberg and Louis Stoketee terminate with the annual meeting.

Montello Park P.T.A. will hold a meeting tonight at 7:45 at the school.

GET FLORIDA VISITORS TO COUNCIL

Two Holland "city fathers," namely Ben Steffens of the 4th and John Vogelzang of the 6th, are on a trip to Florida, supposedly at St. Petersburg, where the sun always shines. Brouwer would have dimmed this sun had his joking request been followed.

In his motion he said, "Mr. Mayor, I notice that two of the aldermen are absent. I understand they have gone to Florida for their health and for Southern warmth. You, Mr. Mayor, have the power to send an officer for them to get them into this meeting."

City Attorney, Elbert Parsons, suggested that undoubtedly brother Brouwer would like to be appointed Sergeant-at-Arms, vested with authority to "get his men." The Mayor smilingly appointed him, returned to his seat, leaving the two aldermen to bark in the Southern sunshine. No doubt Brouwer originally thought that council meetings are "hot" enough and that a summer clime was unnecessary.

First Scout President To Be Headliner

REV. J. J. DE KRAKER, GRADU-
ATE OF HOPE COLLEGE,
CHOSEN BY COUNCIL;
DINNER AT BEECH-
WOOD SCHOOL

The Rev. J. J. De Kraker, of Big Rapids, first president of the former Ottawa County Scout Council during the year 1926, will be the main speaker at the Twelfth Annual Scout Leaders Appreciation Dinner and Council meeting to be held at Beechwood School on January 25th at 6:30 P. M.

Dr. A. Leenhouts, a member of the Executive Board during the term of Dr. De Kraker, will act as toastmaster of the evening.

Numerous awards will be made to scouts and leaders in recognition of years of service rendered or achievement in the ranks of scouting. In addition to members of the various scout committees, the parents of scouts and other friends of scouting are invited to participate according to Scout Executive, M. P. Russell. Mothers of scouts of Troop 22 are making preparations for feeding at least 350 guests in the school gymnasium.

Prof. E. E. Winter of Hope College, who is chairman of the meeting committee is to present two Silver Beaver Awards to two as yet unnamed scouts. These awards are for distinguished service to boyhood and are granted by the National Council. Members of the Council who have received these awards are C. L. Beach of Holland in 1932, also W. T. Schubert of Grand Haven in 1933, Geo. Mool of Holland in 1934. None awarded during 1935. Jacob Braak of Spring Lake and E. E. Winter of Holland in 1936, Stephen Mead of Grand Haven in 1937. C. Clay Benson of Allegan also received one while Allegan County was a part of the Battle Creek Council a few years ago.

Fourteen scouts will receive the coveted Eagle Badge at the hands of Rev. John Beegmans during the Grand Court of Honor. They include Jack M. Sweeney, Warren Bolling and Alvin (Jr.) Jacobson of Troop 1 Grand Haven, Jack Kern Krum and Clarence Harris of Troop 10 Holland.

WEST OLIVE WOMAN PASSES

On Wednesday, Mrs. Margaret Owen, 90-year-old resident at Port Sheldon, 14 miles north of the city, died at her home. Mrs. Owen is believed to be the last direct descendant of John Quincy Adams. Her father was a first cousin of President Adams. She was born in New York, July 1, 1847, to Mr. and Mrs. Solomon Adams. Mrs. Owen was for many years a teacher in county schools, when they were still of the log-cabin type. When she was 18, she became the bride of John Davis. Three children, Frank, George and Maria, were born to the couple. The son, Frank, is the only one still alive.

Mrs. Owen became the wife of Charles Owen about 12 years ago. Funeral services will be conducted this afternoon at 1 o'clock from the Dykstra Funeral home, by the Rev. H. D. Terkurst, pastor of Trinity Reformed church. Burial is to take place in Park township cemetery.

Survivors are the son, Frank, a resident of Port Sheldon, and a granddaughter, Mrs. Bessie Lamp, who resides in Oregon.

Miss Cornelia Woltring has returned to the city from Chicago, where she had spent the last two months with her sister, Mrs. A. Dreyer.

Mrs. A. Alderink, 146 West 23rd St., submitted last week to an operation in Blodgett hospital, Grand Rapids.

Fathers night will be featured Tuesday evening at a meeting of Washington school P.T.A. E. V. Hartman will be in charge of program arrangements. He is assisted by Edwin Aalberts, sixth grade teacher at the school. An address will be given by Floyd Starr, head of the Starr Commonwealth at Albion. President Norman Simpson will preside at the meeting, and Pat Nordhoff will serve as social chairman.

Mrs. Martha Pelgrim, West 12th St., and Mrs. L. W. Schoon, and son, Robert, of 55 West 14th St., have left for Palm Beach, Florida for a month's vacation.

Dr. Wynand Wichers, president of Hope College, will lead a meeting of the Men's League for Service of Fourth Reformed church at the church tonight at 7:30.

Holland Folks In The Heart Of Old Mexico

—AND WHAT IS MORE, THEY
SLEEP ON KARR MATTRESSES;
HIGHWAYS PERFECT

Following is a letter from Sears R. McLean of this city, who, with Mrs. McLean, has been motoring through the West and has gone over into Old Mexico, one of the most unique, and at the same time, most beautiful countries on the globe. They are beyond Mexico City and will stay for at least a month at Hotel Los Arcos Chicos in Taxco, Guerrero, Mexico. The hotel is run by an American manager by the name of W. T. Harrison, and despite the Latin-American complex, the Mexican ways, scenery and climate, Mr. and Mrs. McLean can be served a la Americana.

The review of their trip is indeed interesting and enlightening. It is the general opinion that traveling in Mexico is difficult. The fact is that some parts of America could take lessons in road building from the Mexicans. Of course, American roads, on the whole, are the finest in the world, and there is ever so much more mileage than anywhere else. But this letter will be an eye-opener to those who believe that touring in Mexico is an arduous task.

Dear Ben:—

Here we are at last in the land of manna and sunshine!

Our trip from Tryon, N. C., where we spent the holidays with Mr. and Mrs. Carter Brown of Castle Park, was delightful, to Laredo, Texas. From there we drove to Monterrey, Mexico, where we spent three days, some time in sight seeing, but mostly resting and absorbing Mexican atmosphere.

ZEELAND TAKES STEPS TO GET SEWAGE PLANT

The Zealand city council has authorized the drawing of plans and the obtaining of estimates for construction of a \$56,000 sewage disposal plant and various sewer connections. The plans and estimates will be presented to the WPA. The work of preparing plans and estimates has been given to Robert Norris, consulting engineer of Ann Arbor.

Resolutions were presented to the council by various property holders of the city to blacktop streets on which curbs and gutters recently have been placed.

BLUE TAG SALES FOR TWO SCORE YEARS

Du Mez Brothers large emporium has been established in this city close to a half century. It is rather interesting to note that today, on January 20, is launched the 80th semi-annual Blue Tag Sale by that Holland firm. Andrew Du Mez and his brother, Theodore Du Mez, present managers, sons of one of the founders, state that Du Mez Bros. inaugurated its first Blue Tag Sale forty years ago, and ever since that time, without fail, there have been two such sales, at intervals of six months, ever since.

Of course, four decades ago the sales were not quite so pretentious as today, but nevertheless, the Blue Tag played a very important part in the firm's merchandising at special prices during these semi-annual bargain weeks. The sale inaugurated today carries with it a large announcement in this issue as well as a double broadcast in the way of circulars, setting forth a wide range of articles, of wearing apparel and household necessities, as well as children's wear. The 80th anniversary of the Blue Tag Sale at Du Mez's is an outstanding event to the management and to the buying public as well.

Dinner Served By Hubby to Wife At Exchange

(Continued from page 1)

ida, last October. He was president of the national organization in 1935-36. He has been all over the United States, in fact, taking in 46 out of the 48 states as well as several foreign countries, "preaching Exchange and what it can do for the business and professional man."

Mr. Vinet, in his introduction, called attention to the fact that the Holland Exchange chapter has one of the best attendance records in the country, is the largest in the United States for a city of its size, has made a very considerable contribution to needy children, and is always well-represented in national offices of the organization.

Mr. Beck spoke on "Fundamental Principles as They Apply to Americanism."

He traveled 1,000 miles to attend the meeting of the Holland club Monday night. Portions of his speech follow:
"A citizen of this country, whether he be from the state of Georgia, Michigan or California, is an American, and should you meet him while travelling in a foreign country he would lose no time in proudly telling you that he is an American."

"We Americans are proud of our American citizenship, and rightly so, for this is a great country—a mighty country. Wherever an American may roam he carries with him his rights of citizenship, known and respected throughout the world."

"We Exchangeites are proud of our Exchange citizenship, and rightly so, for Exchange is a great service organization, having behind it a record of more than a quarter of a century of unselfish service to America."

"It does not matter whether you belong to the Exchange Club of Holland, or San Francisco, or of Griffin, Georgia; you are an Exchangeite and you should be proud of the fact. You have been selected by the fellow members of your club as one worthy of confidence; as one of the outstanding business or professional men of your community; as one with whom they are willing to associate, and so you have a right to be proud of your membership in this great National organization, dedicated to the service of city, state and country."

"The fundamentals of Exchange are contained in our Covenant of Service. Do you know what that covenant contains? Let me repeat it for you:

"Accepting the divine privilege of single and collective responsibility as life's noblest gift, I covenant with my fellow Exchangeites:
"1. To consecrate my best energies to the uplifting of Social, Religious, Political and Business ideals.
"2. To discharge the debt I owe to those of high and low estate who have served and sacrificed that the heritage of American citizenship might be mine;
"3. To honor and respect law, to serve my fellowman, and to uphold the ideals and institutions of my country;

"4. To implant the life-giving, society building spirit of Service and Comradeship in my social and business relationships;
"5. To serve in Unity with those seeking better conditions, better understandings, and greater opportunities for all."

"No one likes pessimism or a pessimistic attitude, yet we should not allow optimism to blind us to flagrant facts. We are men, not ostriches. What then is the situation in America today?
"Enemies of America have been active in your state and mine, and if left unchecked they will become active in all other states. If they can stir up enough strife and discord, if they can arraign one part of America against the other part, then they will step in and take over our government. It has been done in other countries and it will be done here UNLESS we who love America take a definite stand and prevent it."

"The Revolutionary War was fought to free the American Colonies; the Spanish-American War was fought to free the Cubans; and the World War was fought for Democracy. And now the time has come to fight a war to keep America free—free from the domination of alien groups who would destroy our ideals and institutions."

"Loyal Exchangeites! I call you to the fight!"
The speaker's kindly, yet convincing manner gained an immediate response from his audience. A pair of wooden shoes, elaborately decorated, was presented Mr. Beck from the local club. Among guests of the organization was Grant Ilers the district governor of the Exchange club. The meeting concluded with the singing of one verse of "America" by those present. Vernon Ten Cate, Exchange club program chairman, was in charge of arrangements for the occasion.

\$32,000 ON LOANS TO ALLEGAN FARMS

F. G. Woodman, new acting county supervisor of the Farm Securities administration division of the Rural Rehabilitation department, reports total loans to Allegan county farmers of approximately \$32,000.

Loans are now being negotiated by the office with farmers and are from a few dollars up to and including \$1,000. The average loan made is about \$500, Woodman points out.

Applications are made to the local county office, in the court house basement, and after investigation, loans may or may not be made, depending upon the condition of tools and stock on the farm. Practically all loans are made to farmers who could not obtain conveniences at their local banks.

FEDERAL SUGAR BEET ACT CONTINUES THROUGH 1940; MEETING IN HOLLAND TOWNSHIP

Sugar beet meetings have been scheduled for Ottawa growers Jan. 24, 25 and 26. Thirty minutes of moving pictures will be shown by Mr. Pattern. Many interesting things connected with the industry from growing of beets until they become sugar are to be shown.

Geo. Weener, crops specialist, M. S. C. will discuss sugar beet culture and the new sugar beet act which allows for payment to growers. Others on the program are John Kelly and L. R. Arnold.

The new federal sugar beet act now in operation will continue through the year 1940. It provides for establishment of bases. Bases will depend upon past acreages.

No restrictions are imposed in 1938. It is believed that growers will plant up to the limit established for mainland farmers. If a farmer wishes to have sugar beets grown on his farm in the future, the acreage planted in 1938 will mean much to him. His base will be greatly affected by this 1938 acreage.

The act provides for a payment of 60% on refined sugar. It will amount to about \$1.75 per ton of beets. With a yield of 10 tons per acre, this payment will go far toward meeting cost of toppling, blocking and weeding. The new act provides for deficiency payments in case of abandonment of beets or in case yield is far below normal for the farm. Farm prices in general are expected to be lower in 1938 than in 1937. It is not likely that the price of sugar will fall greatly. Thus in growing beets the farmer knows fairly well the price he will receive and the amount of government payment.

In addition to this the sugar beet is the only crop on which there is an insurance.

Mr. Arnold feels that farmers who have good beet soil and who may wish to grow beets in future years should get all possible information in regard to the federal act. Meetings are scheduled as follows:

Vriesland Town Hall, Jan. 24, 7:30 P. M.
Holland Township Hall, Jan. 25, 7:30 P. M.
Hudsonville High School, Jan. 26, 7:30 P. M.

Hope's Debating Event Friday Was State-wide Event

Eight Hope college debate teams, in three rounds of debates, won 11 of them, lost three, and tied two in an invitational debate tournament held on the local campus Friday afternoon. Second and third places were held by Western State Teachers College and Albion College, respectively. Other colleges participating were Kalamazoo, Michigan State, Calvin, Battle Creek, and Alma. A total of 72 debaters participated.

Debates were held at 1:00, at 3:00, and at 4:30 p. m. "Resolved, that the National Labor Relations Board be empowered to force arbitration in all industrial disputes" was the topic for debate. Winners of the debates were announced at a dinner at First Methodist church in the evening. Dr. Rolland Shackson, Hope debate coach, was in charge of tournament arrangements.

Members of Hope negative teams were Bob Bonthuis, Pasadena, Cal.; and Wendell Miles, Holland; Jack Leenhouts and Les Waasenaar, both of Holland; Marinus Pott and James Polks, both of Holland; and Floyd Folkert and Peter Stielstra, both of Holland.

Affirmative debaters for Hope included the following teams: Don Van Liere and Ernest Tirrell, both of Holland; Wilbur Jacobs, Fremont, and Chester Wing, Philadelphia, Pa.; Henry Boevendam, Fennville, Wash., and Orville Hine of Chicago; and Virgil Beld, Grand Rapids, and Henri Vander Brake, Sioux Center, Ia.

Cornelius De Keyser made a business trip to Detroit last Friday. After an extended visit in the Netherlands, Miss Anne Berentschop of this city will arrive in Grand Rapids on Feb. 17. She sailed with her aunt, Miss Pearl Ten Harnsel, for Europe on June 24.

ZEELAND

A secular and sacred concert was presented last evening in the Soldiers Home in Grand Rapids by the Melody Men of Zealand, under the direction of John Vander sluis.

A meeting of the League of Young Women's societies of Holland-Zeeland Christian Reformed classis, was held Monday night in the Third Christian Reformed church. About 485 attended. Devotions were conducted by Miss Dena Kuiper of Holland. Songs were sung with Miss Vander Wal of Zealand as leader, and Miss Janet

Staal as organist. Miss Jennie Marink of Zealand presented a reading. A girls' quartet from Borculo rendered special music for the occasion. "Growing Up" was the topic of the evening, discussed by Miss Johanna Timmer, president of the group. Board members elected were Miss Kuiper, president; Miss Grace Bruiseman, secretary; and Miss Janet Staal, assistant treasurer. A social hour followed the program.

Allegan County News

Allen Case of Fennville was arrested by local police Friday for Allegan county officers on charges of having stolen an automobile at Fennville on the night previous. Police Chief Frank Van Ry announced the arrest and recovery of the car, which Case had taken to Holland to see his "girl friend."

Mr. and Mrs. John Bast and Ellen Jean, Fennville, returned to their home here Saturday evening. Mr. Bast had just returned from Zephyr Hill, Fla., where he had driven Mrs. Bast's parents, Mr. and Mrs. John Westveldt. He returned by truck, meeting Mrs. Bast in Grand Rapids, where she spent the time during his absence.

From March 1, 1937 to Jan. 1, 1938, the Saugatuck fire department made 20 calls, it appears from the annual report, prepared by Fire Chief Fred J. Walz. Loss amounted to \$9,000, and the value of endangered property was \$250,000. Part of the loss was covered by insurance. One fire was in Lake-town township, 6 in Saugatuck township, and 13 in Saugatuck village.

The Women's Republican club of Hamilton met yesterday afternoon at the home of Mrs. Jesse Kool, at 2:30 o'clock.

Hamilton school district No. 5 P.T.A. will hold its meeting Tuesday night, Jan. 25, at 8 o'clock. A travel talk, illustrated by slides, will be given by the Rev. Wilcox of Allegan. Music will be presented by an accordion band.

The Ladies' Missionary Society of the American Reformed church met Thursday afternoon at the home of Mrs. Ed Dangremond. Mrs. B. Voorhorst president, presided for the annual business meeting. Devotions were in charge of Mrs. Jesse Kool. The following officers were elected: president, Mrs. I. Scherpenisse; vice president, Mrs. B. Voorhorst; secretary, Mrs. Joe Slotman; treasurer, Mrs. Harry Hulsmann. It was decided at this meeting to adopt the rotary system, thus enabling persons to hold their office for only two years.

Mr. and Mrs. John Haakma and daughter, Connie, were Sunday guests of Mr. and Mrs. Frank Dekema at Kalamazoo.

Mr. and Mrs. John Kaper and son, Ronald, were dinner guests of Mr. and Mrs. Ray Maatman last Wednesday evening.

Members of the local high school have organized a hot lunch club known as "The Taste and Baste Club." They are serving hot lunch every Wednesday noon. The following are the club officers: president, Monica Slotman; vice president, Mildred Lubbers; secretary, Katherine Nyhof, and treasurer, Virginia Tien.

The Woman's Study Club met Thursday evening at the home of Mrs. Henry Strabbing. Mrs. Kibby presided. The minutes, roll call and current events were in charge of the secretary, Mrs. Strabbing.

A call was made by each member giving "The Name of a Book." Miss Cora Bratt gave a book report on a book entitled "Back to Back." Mrs. I. Scherpenisse favored with a piano solo. After the meeting plans were made for the annual "Men's Night" party.

Mrs. Allen Calahan spent part of the week in Three Rivers with Mr. and Mrs. Ernie Kronberg. Mrs. Kronberg returned with Mrs. Calahan to spend a few days with her parents here.

Mr. and Mrs. Ben Kooiker and daughter, Joyce, were visitors in the home of Mr. and Mrs. Gus Maatman at Holland on Sunday.

Sunday evening guests of Mr. and Mrs. Henry Kempfers included Mr. and Mrs. James Barkel of Holland, and Mr. and Mrs. Wallace Kempfers and Norma Jeanne.

Mr. and Mrs. Marinus Ten Brink entertained the following last Monday evening: Mr. and Mrs. Wm. Drenten, Mr. and Mrs. Herman Nyhof and children and Mr. and Mrs. Henry Kempfers.

Mr. and Mrs. Wm. Ten Brink were called to Flint, Michigan Saturday morning due to the severe illness of the former's sister, Mrs. H. C. Paxton.

Mr. and Mrs. Allen Dangremond and son and Mr. and Mrs. Donald Slighter were Sunday dinner guests of Mr. and Mrs. Ray Dangremond at Grandville.

Mr. and Mrs. Marinus Ten Brink and Mrs. Henry Kempfers were guests of Mr. and Mrs. Henry Drenten on Tuesday evening.

The annual congregational meeting was held in the First Reformed church last Monday evening.

Mr. and Mrs. Frank Moomey of Holland spent the week end in the Wm. Ten Brink home here.

Mr. and Mrs. John Nyhoff of Iowa visited relatives in this vicinity last week.

The Double Square club met last Friday evening with Miss Pearl

Drenten. Prizes were won by Mrs. Donald Slighter and Miss Harriet Van Doornik.

Mr. and Mrs. Jesse Kool entertained Mr. and Mrs. Harold Dangremond at supper Sunday evening. Mr. G. J. Bolks was brought home from the Holland hospital last week.

At the annual congregational meeting in the American Reformed church the following officers were elected: for elders, Dr. Bisterink, Joe Hagelkamp and Jacob Drenten; for deacons, Henry Van Doornik and Harry Hulsmann. Following the business session refreshments were served in the church basement.

Mr. and Mrs. Ben Kooiker and daughter, Joyce, were Sunday guests of Mr. and Mrs. Gus Maatman at Holland.

The male quartette with accompaniment will furnish music at the evening service in the American Reformed church next Sunday. They have appeared on two previous occasions and are highly spoken of. It's the desire of the pastor to have a full house next Sunday evening.

Miss Hilda Rankens spent Tuesday evening with Joyce Kooiker. Harold Dangremond and Lewis Johnson spent Saturday in Whitehall.

OVERISEL

AMERICAN LEGION NEWS

The next Post meeting will be held on Wednesday, Jan. 28.

This will be Ladies night and all members of the Auxiliary and all wives of Legionnaires are invited. Comrade Frank Van Ry and his committee have charge of the program and refreshments.

On Monday evening, the American Legion Auxiliary will meet at 8 o'clock in the club rooms.

The Post membership took quite a jump last week when Ben Lieven went out and gathered up over thirty pair-up members in two days, thus assuring himself of a membership in the 10-20-30 club.

All Legionnaires are requested to attend the funeral of Mrs. Simon Meeuwse Saturday afternoon in Third Reformed Church. Services will be at 1:45 p. m. in the rear, east side of the church.

All Auxiliary members will attend in a body the funeral services of Mrs. Simon Meeuwse, who was a member of the Auxiliary and the Past President's Club. Services will be held Saturday at 1:30 from Third Reformed Church. Members are asked to meet in the rear of the church, on the east side, at 1:45 p. m.

There will be a regular meeting of the American Legion Auxiliary Monday evening at 8:00 p. m. in the Legion club rooms.

COMMON COUNCIL

(Continued from page 1)

er. Kalkman, Oudemool, Brouwer, Huyter, Bultman, Smith, and City Clerk Peterson.

Devotions by Mayor Henry Geerlings.

Minutes read and approved.

Petitions and Accounts
Clerk Oscar Peterson presented several applications for building permits.

Granted, subject to approval of City Engineer and Fire Chief.
Reports of Standing Committees
Claims and Accounts Committee reported having examined claims in the amount of \$6,129.33.

Allowed.
Committee on Ordinances reported having met recently and considered the proposition of reprinting our present Charter. Committee reported that a number of the old original 1913 charters have been found and were recommending that the amendments to this charter be printed in pamphlet form and attached to the original charter.

Adopted.
Ordinance Committee further reported on the matter referred to them at the last meeting relative to the City Assessor notifying the property owners when he raises their assessments. Committee reported that in its judgment it would be a good thing to have the Assessor to notify the property owners when assessments are raised and recommended that a resolution be adopted requiring that this be done.

Adopted.
Ordinance Committee further reported for information of the Council that it was still considering amending our present electric sign ordinance and may have something definite to report on this matter later on.

Civic Improvement Committee reported presented by Ald. Ed Brouwer stated that together with representatives from the Holland Fish and Game Club and other city officials, they had met with Mr. Everett from the U.S. Engineers of the Milwaukee, Wis., relative to the requirements for further dumping rights, and in this connection had worked out a plan that seemed agreeable to the U.S. Engineer whereby this contract could be awarded to the Lyons Construction Co.

Committee further reported that the City would use its own riparian rights in asking for a permit from the War Dept. to dig off in front of its own property on North River Ave., formerly the Ottawa Furniture Co. property. Committee further stated that the City Engineer would make application for this permit immediately and in their opinion they felt that this would satisfy the U.S. Engineer's office so the contract for the dredging by the hydraulic system could be awarded without further delay. This was included in Ald. Brouwer's report.

Civic Improvement Committee further reported that it has considered the proposition presented some time ago relative to the City acquiring the former Tannery property on W. 8th St. It was reported that the Committee could not agree on this matter and was therefore referring it back to the Council without recommendation. Ald. Kalkman took the position that the Council should present this to the vote of the people at

the spring election. The question was raised, however, as to whether this would be legal inasmuch as the matter had been voted upon last spring. It was stated that the City Charter provides that when matters are presented to the voters in the form of a referendum, that the same proposition can not be voted upon again within a two-year period.

Matter was referred to the City Attorney, Elbert Parsons, for an opinion in which he stated would be given at a later date.

Civic Improvement Committee further reported having considered a proposition of securing preliminary plans for a band shell from Henry L. Kamphoefner, architect, Norman, Okla., who is a specialist in the line of designing band shells. The Committee stated that they were recommending the contract be signed at once for these preliminary plans. Mayor Geerlings, however, stated that in his opinion this was not a good time for the City to enter into any contract such as was proposed while business conditions were as they are. Mayor further stated that he did not believe the City was ready to go ahead with the construction of a band shell at this time, and the preliminary plans such as proposed in this contract might not be of a great deal assistance if the City were to delay the construction of this building for a short time. It was his recommendation that the matter be deferred for the time being.

Matter tabled.

Communications from Boards and City Officers

The claims approved by the Hospital Board in the sum of \$1,075.34; Library Board, \$374.17; Park and Cemetery Board, \$922.86; Police and Fire Board, \$2,929.18; Board of Public Works, \$5,027.13, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported the collection of \$30,976.88; City Treasurer, \$23,783.41 for miscellaneous items, and \$22,041.24 for tax collections.

Accepted.
Clerk presented communication from the Board of Public Works requesting the Council to approve of an application for a WPA project to lay water mains in 24th St. between Maple and Washington Ave. and in 3rd St. from River Ave. west to the River. Total estimated cost of this project being \$1,973.82.

Approved.
Clerk Peterson presented communication from the Police Board recommending that the Council take the necessary steps to prevent parking on both sides of the street adjacent to the several schools, churches, and other public buildings, where parking on both sides has become a traffic hazard due to the narrow roadway on Grand Rapids.

Grand Rapids
Merchandizer
Will Be Honored

—A dual celebration will be staged by employees and officials of the Grand Rapids branch of The Kroger Grocery and Baking company here Monday, January 24.

One phase of the celebration is the winning of the President's Cup, emblematic of the outstanding 1937 sales record in the company. Grand Rapids branch, which operates all Kroger stores in this territory, was highest of twenty-three branches.

The other phase is the celebration of the 20th anniversary with the company of L. O. Griffin, manager of the Grand Rapids branch.

Center of activities will be the spacious Civic Auditorium.

The cup will be presented to Mr. Griffin personally by Albert H. Morrill, of Cincinnati, president of The Kroger Grocery and Baking company, who is coming to Grand Rapids especially for this event.

Following the presentation ceremony, which is scheduled to start at 8:00 p. m., dancing and other novelty features will be enjoyed until 12:30 a. m. A buffet supper will be served from 9 p. m. until midnight.

Mr. Griffin started his career as a clerk in grocery stores in several Michigan towns and had experience in the hotel and catering industry before managing his first Kroger store in Detroit.

The World War interrupted his work and for eight months he was stationed at Camp Custer. Out of the army in February, 1919, Mr. Griffin hurried to Detroit and applied for a job with Kroger. He was hired at once and made manager of the store on Woodward

avenue, where he had started just the year before.

In 1922, Mr. Griffin was made supervisor in charge of a Detroit district of 11 Kroger stores. A year later he was moved to a larger district, followed by a promotion to grocery superintendent.

After several other promotions, Mr. Griffin was made manager of Kroger's Toledo branch, operating more than 180 stores. Then in 1931 he was appointed manager of the Grand Rapids branch, the position he holds today.

Active in Grand Rapids civic affairs, Mr. Griffin has for four years served on the national firms committee of the Community Chest campaign. He is a member of the Rotary club, the Chamber of Commerce, and Knights of the Round Table.

Clerk Oscar Peterson to request the co-operation of the pastors and church-goers in eliminating this present traffic hazard until the snow season was over.

Motions and Resolutions
On motion of Ald. Ed Brouwer, seconded by Smith,

BE IT RESOLVED, that we, the Common Council of the City of Holland, hereby give public recognition to the Holland Fish and Game Club, Inc., its officers, directors, and the thousand members, for their untiring and untiring efforts in the interests of the people of Holland and vicinity; for the propagation of fish and game in its own rearing ponds on M-21 and local streams and waters; for being ever alert and active in the preservation of fish and game through education, co-operation and law enforcement; for their interest and continuous agitation and co-operation to stop and prevent stream pollution; for their civic interest in behalf of the hydraulic method of dredging, thereby improving fishing and interesting resorters to locate in Holland and vicinity; for their activity in the development of the east end of Lake Macatawa, and their tremendous influence on enactment of conservation legislation; and

BE IT FURTHER RESOLVED, that a copy of this Resolution be mailed to the Holland Fish and Game Club, Inc., and that copies be furnished to the local newspapers and spread on the records of the Common Council of the City of Holland.

Carried unanimously.

Adjourned.

Oscar Peterson, City Clerk.

DECREASES SHOWN IN
BIRTHS AND DEATHS

The year of 1937 found a decrease in divorces, deaths and births in Allegan county, according to statistics compiled this week by the county clerk. Marriage licenses showed a gain over last year.

Definite totals are compared as follows: 1937, divorces, 52; marriages, 280; births, 631; and deaths, 461; 1936, divorces, 54; marriages, 280; deaths, 480; and births, 687.

GARTER SNAKE CALLED
ENEMY OF NATIVE FISH

Among other important discoveries made at the Michigan University research project it has been pretty well established that the common garter snake is a serious menace to fish. Until recently it was not known that the garter snake was capable of as great fish consumption as the water snake.

32-Pound Muskies Got
Away First Time But
Ben's 2nd Spear Holds

"He who laughs last laughs best," says Ben Folkersma of Grand Haven, well known angler of that city, who a few days ago caught the "big fish," which he said last week got away in the waters of Spring Lake where he has a fish shanty.

The catch was a 32-pound muskellunge, with the same spear in its back that Mr. Folkersma had driven in last week when the big fellow got away. He, with his son, Clarence, had a battle to land the fish the second time as there was plenty of fight in it regardless of being wounded.

Mr. Folkersma last week landed a 27-pound muskie and then told the story of how an even bigger one got away when the rope on the spear broke as the fish battled. The other day he discovered a big fish apparently resting in about five feet of water directly under the space cut in the ice through which he had speared the fish last week. He made haste to throw another spear which was too much for the wounded muskie and he was brought up. The fish measured 47 inches and is the largest that Mr. Folkersma has ever caught, although he is a veteran fisherman at Grand Haven.

John Betheke of Robinson township made a fine catch on Stearns bayou when he caught a 11-pound pickerel and three four-pound pickerel in an hour's time.

Holland's Postal Receipts
Are Up Says Postmaster

Postal receipts at the Holland post office for 1937 show an increase of about six per cent over the 1936 record, it was revealed by Postmaster Louis J. Vandenberg last week.

The postal receipts in 1936 amounted to \$170,339.13 as compared with \$160,643.39 for an increase of \$9,695.74. In 1935 the postal receipts totaled \$144,760.33.

Postal money orders issued during the year amounted to \$512,517.55 or an increase of \$4,117.22 over 1936 when they amounted to \$468,400.33. The 1935 sale of postal money orders reached \$458,281.42.

The sale of postal savings amounted to \$517,891 for 1937 as compared to \$484,557 for 1936 or an increase of \$33,334 over the previous year's total. The 1935 sale reached \$471,806.

In 1937, savings bonds amounting to \$98,175 were sold at the local post office. Sale of savings bonds in 1936 amounted to \$87,844.75, the figures thus showing an increase of \$10,330.25 in 1937 over 1936. Savings bonds were offered for sale only 10 months in 1935, the sale amounting to \$56,118.75.

Postmaster Vandenberg predicted a year of prosperity in Holland during 1938, for he believes that the business trend in a city may be accurately judged by postal receipts within that city.

The Grand Rapids Mission Bible conference on Sunday evening was attended by Mr. and Mrs. Leslie Hill, Mr. and Mrs. Walter Kruit-hof and family, Dorothy Modders, and Mr. and Mrs. William Modders.

Miss Anna Mae Klomparens, daughter of Mr. and Mrs. Andrew Klomparens, 135 East 14th St., submitted Tuesday to an appendectomy in Holland hospital.

Sudden Death Of
Utah Man Brings
Historical Data

W. MONT FERRY WAS HEAD
OF LARGE SILVER MINING
CONCERN IN SALT LAKE
CITY

Was Descendant of the Man Who
Founded the City of Grand Haven

The Salt Lake Tribune, one of the leading dailies of the West, the city noted for the Mormon Temple, Brigham Young, and Salt Lake, a body of water so salty that swimmers cannot drown in it since they always remain on top, prints a very interesting article, which chronicles the death of W. Mont Ferry, vice president and managing director of the Silver King Coalitions Mines.

Mr. Ferry was a direct descendant of William Montague Ferry, the founder of Grand Haven, more than 100 years ago, and his wife, Amanda White Ferry. The Centennial, it will be remembered, was celebrated recently with a week of festivities, in which Holland participated. What Dr. Van Raalte and his descendants were to Holland, Rev. and Mrs. Ferry and descendants were to Grand Haven.

Their vocations naturally were different, since at Grand Haven lumbering was the chief occupation while the forests still stood. We all know that the early history of the settling of Holland, first into a colony, which eventually grew into a city, is replete with interest. That, too, is true of the settling of Grand Haven, Spring Lake, and Ferrysburg. Indian lore runs all through this history, beginning from the time that Rix Robinson established his trading post on Grand River, trading for the American Fur Co., in which the first John Jacob Astor of New York was interested. One of these posts was at Lowell and the second at Grand Haven.

It will be remembered that Thomas W. Ferry, a brother, also a pioneer of Grand Haven, became U.S. Senator, being named by the Michigan legislature on January 17, 1871. He also was named president pro-tem of the Senate when Congress adjourned in 1877. Vice President Wilson, the real president, having died, the president pro-tem of the Senate, who was Mr. Ferry, under the laws then existing was presiding officer, next in order to the president. It has always been considered by the older people of the county that Senator Ferry was president of the United States for one day, and that day was Sun., March 4, 1877. That day the country was without a president since President Rutherford B. Hayes was inducted into office on Monday, March 5, 1877. If Mr. Ferry was president by virtue of his chairmanship of the Senate, there was no activity, and as Leo Lillie's book has it, "he was one of two mythical presidents." Anyway, there was a great deal of publicity on the subject at the time, and historians have brought this incident into play as an unusual sidelight.

The Ferrys are closely identified with the Cutler, White and Savage families, household names, as this relates to early North Ottawa history especially where lumbering is concerned.

As time went on many of these descendants left Grand Haven, some of them poorer than when they came. W. Mont Ferry did just what Horace Greeley, the great northern explorer once said, "Young man, go West and seek your fortune."

The story of this still comparatively young man of 66, who died suddenly of heart failure, is a story of hard work, fair play, and sterling honesty. The Salt Lake publication is replete showing the success of this man in the silver mining activities. He was the World War Mayor of Salt Lake City; he was State Senator, and his honors seem to be many. A few paragraphs indicate that both capital and labor held Mr. Ferry in high esteem. We quote the following:

Death struck suddenly Tuesday at 9:30 a. m. in a local hospital where Mr. Ferry, Salt Lake City's World war mayor and former state senator, had been taken Monday morning. Heart disease was the cause of death in his sixty-sixth year.

An energetic and vigorous worker, Mr. Ferry at the time of his death was vice president and managing director of the Silver King Coalitions Mines company, and because of his wide knowledge and support of the silver industry, was president of the American Silver Producers' association.

Attended Parleys
Only last week Mr. Ferry participated in contract negotiations with mine union representatives at the state capital. Last Friday he complained of an "uncomfortable" feeling and on Monday was taken to the hospital. His physician, Dr. John J. Galligan, said death was caused by a coronary occlusion.

Labor paid its tribute to the esteemed mining official when wage conference participants decided to recess until after the funeral of Mr. Ferry. The union representatives issued the following statement:

"The members of district union No. 2, negotiating committee of the International Union of Mine, Mill and Smelter Workers, have had occasion to meet in various conferences with W. Mont Ferry and have always found him to be fair in his attitude and understanding of the problems confronting the workers. We feel that through the death of Mr. Ferry the state has suffered a distinct loss."

Leaders Pay Tribute
From Utah's congressional delegation, United States Senator Key Pittman of Nevada, who worked side by side with Mr. Ferry in the fight of the white metal, and from Governor Henry H. Blood, Mayor E. B. Erwin and close business associates came tributes to the efforts and accomplishments of the

Holland In The "Horse and Buggy" Days

There are two pictures on this page, taken from the same street intersection, namely, River Ave. and 8th St. This one was really taken from River St. and Main St., as these thoroughfares were called a half century ago. You will notice this picture is of the horse and buggy days—one lone rig parked, and one scooting along the avenue—and they are wooden walks—and one woman with elongated skirts. All wooden shacks you will notice, except the city hotel on the corner, where the Tavern is now located. You will notice the City Hall in the distance, now Fire Station No. 2, only today the steeple and weather vane are scalped off. There are a few other brick buildings. The three-story one to the right is Van Landegend's hardware shop. Mr. Bosman, the clothier, and A. Steketee, the dry goods merchant, also had brick buildings on the south side of the street, and D. B. K. Van Raalte, a shoe dealer, had a white brick. That constituted about all the brick blocks on the street. This picture was taken in mid-day—and a nice day at that. But the town marshal, Ed Vaupell, had no parking troubles. All the parking that was done was tied to hitching posts, and it was the officer's duty to see that the vehicle remained parked and securely tied. There was no Dave O'Connor with a long chalk stick. These were the "good old days" when there was no hurry, no dodging cars, no worrying about red lights, nor chalk marks.

Holland In The Motor Age

The above picture was taken last year while a Tulip parade was in progress. Publishing this picture is taking advantage somewhat of the picture above, since the one of "two score and ten" had no celebration to fall back on, which partly accounts for the dearth of people on the street. This picture was taken from the same angle—River Ave. and 8th St. It goes without saying that there would be very little difference in the number of cars parked during a parade or otherwise. Today the streets are jammed with cars from early morn 'til late at night.

Subtracting the holiday Tulip Time crowd from this picture, and

augmenting the motorcade that takes the place of the marchers, there is but one conclusion—that Holland's public streets are mighty busy thoroughfares today. Yes, the pictures indicate that there has been considerable advancement in Holland during these 50 years. The automobile has played an important part, but what is more, the skyline of Holland has been replaced with commodious brick structures, and the many vacant spaces have also been filled. We feel this is an interesting comparison and, therefore, publish these pictures.

WESLEYAN CHURCH NOW 25
YEARS OLD

The Wesleyan Methodist church, located at Pine ave. and 17th st., commemorated the 25th anniversary in its present building Sunday by special services at the church. The Rev. A. R. Merrill, who retired last year as pastor of the church after 45 years of service, led both meetings. The Rev. C. W.

Meredith is at present pastor of the church, and has served in this capacity since 1929.

Pastors who have served the congregation include the Revs. H. W. Young, G. Visser, A. A. Al- verson, H. A. Day, M. H. Kings- burg, J. W. Sherwood, C. M. Dumea, F. W. Crowell, E. Chap- man, J. K. McCreery, M. J. Bad- der, and A. R. Merrill.

When a car driven by H. E. Davis, 94 East 13th St., power sales engineer of the Michigan Gas and Electric Co., collided on US-31, four miles north of Benton Harbor about noon Monday, with a car driven by a Mr. Keye, colored, of Grand Rapids, Mr. Davis suffered a cut lip, bruised knee, and a fractured right leg. C. M. Reed and S. F. Massie, employees of the company here, returned Mr. Davis to Holland Monday night.

Louis Wierda will spend a few weeks in Holland following recent treatment at Ann Arbor.

Here is How to Feed Birds
and Pheasants

Quail, pheasants and other birds must be fed at once during sleep periods. Here are a few tips: In putting out feed, find out where your birds are roosting and place food there. Do not try to attract birds to new feeding grounds.

In putting out feed, place it in small piles of about a half-gallon to the pile, in patches of cover or under brush piles. Put a little sand in the food. The best food is cracked corn, buckwheat and scratchfeed. Rye and wheat also may be used.

Visit the food stations each day to see that your birds are getting the feed and that it does not become covered with snow or sleet. Continue to feed the birds for a period of two weeks after the snow or sleet is off as the birds may be in a weakened condition.

If you want to build an artificial cover for the birds, use a shock of corn with a large open way made in the south side of the shock. Put food inside. Cut a waist high. Pile brush over the fallen trees leaving openings for the birds to go in and out. You may hang a sack on a limb or wire fence with the bottom of the sack about six inches from the ground. Cut a small opening in one lower corner. The birds will peck at the feed and it will fall to the ground for them.

BIRDS WELCOME
WINTER HANDOUT

As the birds are having hard times this winter with a crust of hard snow lying all over the fields, Homer J. Layman of Romeo, Mich., reminds all farmers to throw out a little extra feed for them. In a letter to The News he tells how much the pheasants enjoyed their Christmas dinner consisting of corn, wheat, seed they picked up from the alfalfa field and hard bread from his housewife.

HELLO GIRLS AT WARM
FRIEND PARTY

An educational meeting was held in the Warm Friend Tavern last Friday evening by about 20 telephone operators from Holland, Zeeland, and Grand Haven, all employees of the Michigan Bell Telephone Co. Those from this city who attended the affair included the following: Mrs. Daisy Westling, Miss Margaret Timmer, Mrs. Audrey Jessick, Miss Alice Griessen, Mrs. Flossie Efting, Mrs. Helen Dykstra, Mrs. Ida Dulvey, Mrs. Marjorie Binkman, Mrs. Ruth Bluekamp and Miss M. Sikkil of Grandville. In charge of the meeting were Kenneth Garrow of Grand Rapids, district traffic superintendent, and E. Wylie, traffic chief.

D.A.R. HEARS OF SCHOOL
ACTIVITIES

Elizabeth Schuyler Hamilton chapter, Daughters of the American Revolution, held a meeting Thursday at the home of Mrs. R. F. Adler, Central ave. Miss Denise Abbey, representative of the Crossmore, N. C., Approved D.A.R. school, gave a talk on work being done in the school. She was introduced by Miss Harriet Simons of Marshall, state chairman of approved schools, who was also a guest of the organization. Miss Simons told of the school of the D.A.R. at Cam Creek, Ky. The state convention of the D.A.R. was announced by Miss Laura Boyd, regent of the local chapter. It is to be held at Lansing during the latter part of March. The annual convention of the D.A.R. Ellis Island project was also announced. Refreshments were served following the meeting by the hostess and Mrs. Harold Jappings of Grandville.

"SENIOR SNOW BALL" AT LIT-
ERARY CLUB ATTRACTS
MANY

About 125 members of the senior class and faculty of Holland high school attended the annual "Senior Snow Ball," sponsored last Saturday night by the senior class of the school at the Woman's Literary club. A program was presented with Gordon Michmershuizen in charge. Accordion selections were played by Harold Banger and Russell Bouwman. A hill-billy dance was presented by Anna, Laura and Ralph Parsons. Clyde Geerlings led community singing. Margaret Perry gave a ballet dance, and a girls' trio composed of Peggy Hadden, Gertrude Jalving, and Leola Bocks, Mary Jane Miles accompanying, sang several popular songs.

A dance was held from 9 o'clock to midnight to the accompaniment of Don Kramer's four-piece band. Erwin D. Hanson, Dorothy Shram- ek, and Gordon Michmershuizen led the grand march. The Big Apple under the direction of Gerald Breen, junior class patron, was a feature of the evening. Gordon Michmershuizen was in charge of band, publicity, and tickets for the evening. Irving Lemmen, program; Alma Geerds, booth and hall; Betty Leenhouts, recreation; Leola Bocks and Peggy Hadden, decorations; Donald Van Ark, reception and policeman; and Edward Klomparens and Charles Wojohn, floor committee. Superintendent E. Fell, Miss Myra Ten Cate, Miss Evelyn Steketee, Miss Hannah Parkyn, Mr. and Mrs. Theodore Carter, Mr. and Mrs. Clyde Geerlings, Miss Mabel Appel, Miss Margaret Landels, Mr. and Mrs. Edwin D. Hanson, Mr. and Mrs. Ed Damson, Mr. and Mrs. Fred Weiss, and Gerald Breen were among faculty members and their wives who attended.

A meeting of the Prospect Park Young Men's Society was held Monday evening. The meeting was attended by Rev. Van Laar, pastor of the church, and Mr. Vander Meulen. The after-recess was taken up in discussing plans for the league meeting to be held in the church on February 14 at which the society is the host society for the league. Mr. William Boer is leader of the society.

Will Hold Banquet Again

Last Thursday evening the annual meeting of the Holland Fish and Game club was held in the band room in the city hall. With Jacob Lievense, president of the club presiding. Minutes of last year's meeting were read by secretary Henry Vander Schel. The report of treasurer Cornelius Van Dyke showed a balance in the books as of Dec. 31, 1937, of \$8,476.86.

A new constitution accepted by members of the club who were present at the meeting, and election of officers for the coming year followed. Last year's officers were all reelected. In addition to Jacob Lievense, president of the club, the following are officers: S. H. Houtman, vice-president; Henry VanderSchel, secretary; and Cornelius Van Dyke, treasurer. Directors elected included Dr. Vander Velde, George Tubergan and George Vrieling. The retiring directors were Peter Oosting Harry Lampen and Henry Vander Brink. Mr. Lievense and Mr. Van Dyke were reelected without opposition and Mr. Houtman, Mr. Vander Schel and the three directors were elected by ballot.

Plans for the annual club banquet were discussed, and, at the suggestion of Mr. Lievense, it was decided by those present that the program for the banquet be left up to the old board, rather than have the new board take over immediately. Fee for club membership was again set at 75 cents as last year, although it was suggested that fees be raised to \$1. Prizes will be awarded by the ticket committee to that member of the club who sells the most membership tickets for the year.

It was decided to again award prizes to those who will catch the largest fish in 1938. Sponsorship by the club of the Ben Ast lecture to be given Feb. 1 at the armory was announced by J. C. Rhea. Proceeds from the lecture, it will be recalled, are to go to our crack American Legion band.

Prizes were awarded for the largest fish caught during 1937. These included the following: Brook trout, 14½ inches, George Tubergan; trout line, brown trout, 20½ inches, three pounds one ounce, George Vrieling; fly rod, small mouth black bass, 4½ pounds, H. Franz; perch, 11½ inches, 11 ounces, A. Witteven, fishing reel; pickerel, 17 pounds, S. Houtman.

Club activities at the rearing ponds were reported on by Sam Althuis. Repairs were mentioned, and figures were given, showing that 6,000 black bass had been planted in the spring for rearing; that 4,000 had been planted in Holland streams; and that 68,000 bluegills had been planted here. The hydraulic dredging project was reported on by Mr. Vander Schel, and, as per Andy Klomparens' suggestion the club went on record as favoring the project. Mr. Vander Schel complimented Mayor Geerlings and common council members for their progress up to date in the undertaking.

Mayor Geerlings and Alderman Edward Brouwer were other speakers. Mr. Geerlings pledged the support of the people and of common council in the interests of conservation, and Ald. Brouwer commended the club on the work accomplished in the past, and stimulated the club on to future attainments. Mr. Brouwer urged the sending of communications and demands from time to time to the state department at Lansing in the interest of conservation.

Dr. Otto Vander Velde led a discussion on the problem of the protection of bluegills in Pine Creek bay and in Lake Macatawa. The club views with alarm the enormous winter catches of bluegills, and fears the ultimate extinction of bluegill fishing in the above-mentioned bodies of water particularly. Three possible solutions were offered by Dr. Vander Velde to the problem. One possibility lies in enforcing the state law limiting the catch of bluegills. The second possibility is the enlargement of the local rearing ponds to produce 250,000 to 300,000 fish annually. The third possibility is the closing of Pine Creek bay to winter bluegill fishing.

After a lengthy but interesting discussion, it was finally decided by the club that an appeal would be lodged with the state conservation department for the adoption of protective measures to remedy the present puzzling situation. Approach to the state conservation department will be made through the board of directors of the club.

SEWING MACHINE CLINIC
IN ALLEGAN COUNTY

A clinic for disabled sewing machines in Allegan County is being planned for late winter, according to Mary E. Bullis, Home Extension Agent.

The machines will be brought in to a central meeting place and then cleaned and adjusted by the owners under the supervision of A. J. Boll, Extension Agricultural Engineer. No new parts will be supplied.

Any person interested in bringing a sewing machine for the clinic is asked to list her name with Miss Bullis. As soon as twelve machines are listed the owners will be notified of the time and place of the meeting.

BROTHERS SCORCHED
IN TUG BOAT RACE

Ray VanHall and his brother, Wilford of Grand Haven, were slightly scorched by flames when an explosion occurred Friday on the tug R. V. H. which they own. A blowtorch used to warm up the Diesel engine exploded blowing off the doors of the cabin, cracking framework and shattering glass. Despite the accident the brothers went out on their fishing trip.

It has to be BIG!

The people of Michigan make an average of 3,265,000 telephone calls a day over the lines of the Michigan Bell Telephone Company—about 2250 every minute. It's a big job to keep this enormous tide of conversation flowing smoothly back and forth... to keep good service available at all hours. This job takes 3,816,000 miles of wire. It takes 653,000 telephones. It takes 326 buildings. And it takes a working force of 9300 men and women. In short, it takes a big company to do a big job!

22 TO 27 MILES PER GALLON!

22 to 27 miles per gallon of gasoline! That's what many owners are reporting for the 60-horsepower Ford V-8.

That's real economy. And you'll like everything else about this Ford V-8 "60." It's smart looking. Interiors are trim and there's plenty of room for both passengers and luggage. The 85-horsepower engine is available if you want its extra power.

The Ford 60-horsepower V type 8-cylinder engine was introduced last year. More than 300,000 people have bought it. That gives a pretty good idea of its popularity. Besides its amazing economy, the thrifty "60" is dependable and can take the beating of continued hard farm use.

For those folks who want a bigger, finer car with all the traditional Ford economy and dependability—there's the De Luxe Ford V-8. It is built on the same sturdy 112-inch wheel-base chassis but it is equipped with the 85-horsepower engine only.

We have the conviction that the terrible diseases with which we are battling are not a necessary accompaniment of life in this world. We do not for a moment think that smallpox and cancer and infantile paralysis are part of the divinely ordained plan for life in this present existence. But we do believe that science is doing the will of God when it seeks most painstakingly and persistently to find out the causes of these awful scourges and to be able to hit upon cures. So persistent is our belief that we feel that the day will come when science will be able to drive these diseases into a corner and say to them that their doom is sealed. It may be a painful wait for the coming of this day, but it will come. If we could come back here a thousand years from now we should see a healthier and better world to live in. We should be employing physicians and surgeons more often to keep us well than to make us well. Health will not only be a scientific achievement, but the exercise of a fine art. Of course, we will die. We need not worry about that, but what about living longer and more happily while we live? What about knowing ourselves better and all the laws of life-individual and social-obedience to which would bring in a new order of being and life? We suffer so much from ignorance and indifference. Suppose we inculcate intelligence and our concern about ourselves and human society. Suppose we come to a real sobering consciousness of our interrelatedness and what responsibilities rest upon us as individuals touching the welfare of the race, then what a change would come about. We should open gates to new worlds of health and happiness. So far as we know, Jesus was never sick. He knew evidently how to have good health. Why should we not aim to be like Him?

Deacons are Benjamin Kuiper, Chris Plasman, Bernard Poest, Peter Pyle, Arnold Van Doorn, Arie H. Van Dyke, John Alting and Henry Looker.

We have the conviction that the terrible diseases with which we are battling are not a necessary accompaniment of life in this world. We do not for a moment think that smallpox and cancer and infantile paralysis are part of the divinely ordained plan for life in this present existence. But we do believe that science is doing the will of God when it seeks most painstakingly and persistently to find out the causes of these awful scourges and to be able to hit upon cures. So persistent is our belief that we feel that the day will come when science will be able to drive these diseases into a corner and say to them that their doom is sealed. It may be a painful wait for the coming of this day, but it will come. If we could come back here a thousand years from now we should see a healthier and better world to live in. We should be employing physicians and surgeons more often to keep us well than to make us well. Health will not only be a scientific achievement, but the exercise of a fine art. Of course, we will die. We need not worry about that, but what about living longer and more happily while we live? What about knowing ourselves better and all the laws of life-individual and social-obedience to which would bring in a new order of being and life? We suffer so much from ignorance and indifference. Suppose we inculcate intelligence and our concern about ourselves and human society. Suppose we come to a real sobering consciousness of our interrelatedness and what responsibilities rest upon us as individuals touching the welfare of the race, then what a change would come about. We should open gates to new worlds of health and happiness. So far as we know, Jesus was never sick. He knew evidently how to have good health. Why should we not aim to be like Him?

COUNTY AGENTS

Group discussion directed into informative channels has become a new game in Michigan through work which interested more than 12,000 rural residents in 1937.

In reports completed by William F. Johnston, state discussion group leader and member of the extension service of Michigan State College, in 1937, with 244 groups holding 480 discussions on 72 topics.

"These group discussions have afforded many interesting programs in communities," says State Leader Johnston. "It is all pretty new yet, but as skill is acquired by type of enterprise promises to be one of the most valuable methods in adult education."

Subjects which entered into the work last year ranged from gardens to rural mail, from strikes and beer gardens to control of sheep losses by coyotes, insurance, farm ownership, repeal of prohibition, children and schools, social security, rural electrification and maintaining good tourist business.

Many of the groups were organized in communities through their organization. County agents found discussion groups easy to organize from groups interested in local Granges, Farm Bureau locals, Farm Union locals, parent teacher associations, church groups, home economics extension groups, 4-H activity groups and students enrolled in vocational agriculture.

Officers installed last Friday evening at a meeting of Erutha Rebekah lodge were Mrs. Josephine Bender, noble grand; Mrs. Gladys Burrows, vice grand; Mrs. Nora Harris, past noble grand; Mrs. Flora Tuttle, chaplain; Mrs. Melva Crowle, warden; Mrs. Cora Nicols, conductor; Mrs. Grace Urlick, right supporter of noble grand; Mrs. Imogene Wolfert, left supporter of noble grand; Mrs. Jeanette Cramer, inside guardian; Mrs. Jennie Keller, left supporter of vice grand; Mrs. Blanche Bowman, right supporter of vice grand; Mrs. Blanche Shaffer, recording secretary; Mrs. Nelle Haight, financial secretary; and Mrs. Leona Norlin, treasurer. District Deputy President Dora Haight was in charge of the installation, and Mrs. Nora Harris, noble grand, presided. Mrs. Harris was presented a jewel from the lodge by Noble Grand Josephine Bender.

SUNDAY DINNER Suggestions

By ANN PAGE

THE housewife who has to squeeze adequate meals for her family out of a very limited amount of money is having an easier time this month. Butter is under forty cents a pound, eggs are reasonable, beef and pork prices are lower than last year, apples and citrus fruits inexpensive, vegetables and salad greens low in price.

Cheapest among the vegetables are beets, broccoli, cabbage, carrots, lettuce, parsnips, potatoes and turnips. Beans, peas, mushrooms, celery and spinach are a little higher, but not expensive.

Seasonable foods make up the following menus.

Low Cost Dinner
Braised Chuck Steak
Potatoes Carrots Turnips Onions
Bread and Butter
Fruit Salad with Cream Cheese Balls
Tea or Coffee

Medium Cost Dinner
Roast Loin of Pork Sweet Potatoes
New Cabbage in Cream Sauce
Bread and Butter
Baked Apples Hot Grapefruit
Tea or Coffee

Very Special Dinner
Tomato Juice Stuffed Calery
Roast Beef Stuffed Potatoes
Broccoli au Gratin
Lettuce and Grapefruit Salad
